REIMAGINING THE SPV PROCESS

Assure Services' unparalleled experience in creating and managing SPVs, paired with our state-of-the-art software, is transforming how deal organizers create and manage deals. This unique combination of capabilities allows fund managers, equity crowd-funding platforms, angel groups, investment advisors, and other private deal organizers to manage back-office processes through simple and cost-effective software that provides increased automation and transparency.

Our innovative Glassboard software platform provides a cost-effective way to simplify the entire SPV process, from creation to close. It manages a high volume of back-office investment details and requirements, increases automation and transparency, and enables private investment entities to focus on cultivating and strengthening investor relationships, funding deals at volume, and managing other financial responsibilities.

Only Assure offers all the necessary services to simplify, expedite, and consolidate back-office SPV processes.

UNIQUE BENEFITS

// Experience + Technology

We understand the intricacies and complexities that are involved in the creation and management of SPVs, and we are committed to helping investors implement best practices that set them up for success. Our Glassboard platform saves time and money for investors and deal organizers by delivering real-time progress updates on deal flows, requirements, and outstanding tasks through notifications and reminders.

// Pricing + Volume

By combining innovative technology with deep expertise, we make it easy to quickly and affordably create and manage SPVs at volume—while enabling private equity organizations to offload back-office fund administration tasks from employees who are stretched too thin.

// Simplicity + Transparency

We are committed to providing exceptional service. This includes educating you about the SPV process, making it easy to partner with our team, and helping you integrate best practices that ensure quick and seamless onboarding and management. With Glassboard, you'll get real-time insights into client deals, help with fulfilling SPV requirements, and guidance for closing transactions.
